

SAFAL KANDEL

(=977)-9845974535 E-mail- successkadel97@gmail.com

As a Computer Science student and a tech enthusiast, my educational journey has equipped me with a solid understanding of programming languages, and algorithms along with a broad variety of technological abilities that are essential for a cybersecurity specialist. I am skilled at performing penetration tests, vulnerability assessments, and network traffic analysis. My proficiency in programming languages like Python, C++, and Java enables me to create reliable and secure software solutions.

Skills

- Cybersecurity Knowledge
- Problem-Solving Abilities
- Communication Skills
- Ethical Mindset
